President's Tidbits

The pieces of Annual Meeting came together to form the big picture of **fce** with lots of pleasant memories. From your Board completing their jobs to the local clubs/counties decorating tables, the busy day capped off the year with Cultural Arts, Fashion Revue, and Creative Writing entries. My sincere thanks for all the positive comments offered and suggestions to improve! It truly was 'a perfect fit'.

Thank you for the input shared regarding the by-laws. After the revisions are made, a copy will be sent to each County Council President. My hope is that it encourages you to review your local by-laws and make changes as needed to bring them in line.

I look forward to seeing you at the Central Region Breakfast in Memphis, Wednesday, November 14th at 8:30 a.m. Each county needs to bring an item or basket valued at least \$50 to raise money for the Mildred F. Clarke Scholarship.

Emily Gordon,
TAFCE Central Region President

October is Pregnancy and Infant Loss Awareness Month. The statistics are staggering: one in four pregnancies will end in miscarriage, and one in 60 pregnancies will end in stillbirth. Wilson County fce sponsors Angel Gown Sewing Parties to give volunteers a chance to turn wedding dresses into elegant gowns for babies that have passed too soon. At their most recent two day sewing party, 37 volunteers sewed 35 angel gowns and 15 angel sleeping bags! These gowns and sleeping bags bring comfort to families during a very traumatic time.

Sewing Angel Gowns is a new community service project for Wilson County fce. They accept donated wedding dresses (donations not needed at this time) and turn them into angel gowns and angel sleeping bags. They have currently supplied Tennova Healthcare, and will begin to distribute to Smith County Hospital. Wilson County is willing to share copies of the pattern, so you can do this too.

Family and Community Education (fce) is an organization of volunteers who work together to build strong families and communities. Educational materials are created and utilized to strengthen knowledge and skills. Resources are provided to develop leadership skills, enabling people to make a difference. Ultimately, fce strives to make our communities a better place in which to live.

MEMBERSHIP ROUNDTABLE

The following are terrific tips to remember when trying to recruit new **fce** members. Be prepared with your “elevator speech” to explain to people just what is this **fce** organization. (See the statement to the left for an example.) Offer to pick up and take a possible new recruit to a meeting. Give 5 brochures to each **fce** member to carry in their purse to distribute when they meet a potential **fce** member. Create and wear clothing, tote bags, and bottles printed with “**fce**”. Start and mentor new clubs in communities where there is no club. Initiate a Facebook page for your fce club or county to share information about what your club(s) are doing! When you do have a visitor, secure contact information so you can keep in touch.

Please visit our TAFCE Central Region Facebook page often and post what is happening in your local club and county! Add your **fce** friends to the group—we are presently 222 members strong!

Also, please work diligently to share this newsletter with all fce members in your county.

Thank you, Emily Gordon, for this opportunity to serve as the Membership/Communication chairperson for the past year. You have a great vision for this job. This appointment has stimulated my creativity and brought me great joy !
